

Exalted Above the Heavens is taken from Psalms 57. All praise, honor and glory to the living God.
The heavens and the earth proclaim His glory.

Exalted above the heavens

I will praise you oh Lord
and tell of your great love
I will sing about your faithfulness
to all who need to hear

Be exalted above the heavens
You are supreme o're the skies
Let your glory and majesty
be over all the earth

Show me mercy oh God
You're a refuge for my soul
and I will hide in the shadow of your wings
til all trouble is gone

Be exalted above the heavens
You are supreme o're the skies
Let your glory and majesty
be over all the earth

I cry to you oh god
Fulfill your purpose in me
You come down from Heaven to save me
For you love me so

Be exalted above the heavens
You are supreme o're the skies
Let your glory and majesty
be over all the earth

Be exalted above the heavens
you are supreme o're the skies
Let your glory and majesty
be over all the earth
