

Farewell to Antioch The title was inspired by a missionary friend of mine. This song is dedicated to ALL you folks, full time or part time, who have taken the Gospel "Around the corner or around the World"

Farewell to Antioch

In the little church of Antioch
many years ago
They were prayin' and worshippin'
Preachin' the Word of the Lord

Paul and Barnabus had traveled there
Stayed with them a year
til the Spirit of the Living God
came upon them one day
sayin'

Separate to me the ones that I have called
to do the work I have for them
So they gathered 'round
Laid hands on them
and placed them in God's care
Farewell to Antioch
Farewell to Antioch

Well the story doesn't end right there
It goes on today
We should all be faithful to our God
Seek his face every day

From the churches whether big or small
as we worship and pray
The Spirit of the Living God
Calls some of us away
sayin'

Separate to me the ones that I have called
to do the work I have for them
So gather 'round
Lay hands on them
and place them in God's care

Father thank-you for these ones you have called
They commit this time to share the Word of God
Around the corner or around the world
guide them protect them until we meet again
