

**Vanessa** is the true story of a young woman who accepted God's gift of eternal life shortly before she was tragically killed. There is no guarantee for tomorrow. James 4:14 says your life is a vapor that appears for a short time and then is gone.

### **Vanessa**

She stands at the door of the church  
nowhere to go and no one to turn to  
Doesn't know what she'll find  
She's just hoping that someone will care

A friendly face says come on in  
How can we help you today  
We can help you through your trouble  
and show you how much Jesus cares

Jesus commands us to love our neighbors  
and give them a hand  
What we do for the least of these in love  
we do it for him

Jesus stands at the door of her life  
She bows her head and prays  
Calling upon the Lord  
to forgive her and save her from sin

Jesus commands us to love our neighbors  
and give them a hand  
What we do for the least of these in love  
we do it for him

What is life but a vapor  
that's here for a while then gone  
So when God puts somebody  
at your door it maybe their last day

Jesus commands us to love our neighbors  
and give them a hand  
What we do for the least of these in love  
we do it for him

She stands at the door of Heaven  
She sees his sweet face as he welcomes her home  
Now she's with Jesus

cause someone showed her how much he cares

Jesus commands us to love our neighbors  
and give them a hand  
What we do for the least of these in love  
we do it for him

Jesus commands us to love our neighbors  
and give them a hand  
What we do for the least of these in love  
we do it for him

She stands at the door of the church  
nowhere to go and no one to turn to
